

Ralph A. Alvarado, M.D. – A grievance was filed against Dr. Alvarado by a patient alleging that he failed to meet minimum standards of care and allowed his office staff to break patient confidentiality. The report compiled by Mr. Tout was reviewed, in addition to the grievance and the response submitted by Mr. Alvarado.

Action: Following a review, a motion was made by Dr. Wilson that this grievance was without merit and no further action was necessary. Seconded by Dr. Strosnider, the motion carried.
