

Ralph A. Alvarado, M.D.  
Grievances

GRV #    Date to Panel

01157	4/18/02	It was alleged that Dr. Alvarado failed to follow-up with a chest x-ray before discharging the patient. The Panel Meeting resulted in a letter to Dr. Alvarado concerning this matter
02089	2/21/02	The patient alleged that Dr. Alvarado failed to meet minimum standards of care and that his office broke patient confidentiality. The Panel found that the grievance was without merit and no further action was necessary.
00041	1/20/00	This case involved the nurse practitioner prescribing controlled substances. The Panel voted that it was an instance of misconduct that did not warrant a Complaint.
03239	7/24/03	A grievance was filed regarding Dr. Alvarado exhibiting unprofessional behavior by sending the grievant a letter after she sought treatment at Urgent Treatment Center. There was no evidence of a violation of the Medical Practice Act and no further action was necessary.
